CIRCULAR

Keeping in view the long pending demand of the students, the college administration has decided to open a coffee shop in the college. The area at the back of the administration block has been demarcated for the purpose. This entrepreneurship opportunity will be given only to the Sem-VI students and the Alums of the college to develop and hone their entrepreneurship skills and thus to create job givers rather than the job-seekers in the society. The interested candidates will be bearing the electricity charges and also the rent for the space given to them.

They will also be invited to submit a detailed proposal of maximum 300 words covering the different aspects of startup of the coffee shop in the college.

The concerned information is available on the college website as well. For any query further, the interested students may contact Prof.Renu, H.O.D. Commerce.
