PRINCIPAL'S MESSAGE

GCW UDHAMPUR, established in 1989, today is a top of the line premium Government institute. In it's nascent stage it was run from a social welfare Department. However, today it boasts of it's own campus nestled in the beautiful Shivalik hills. The infrastructure of the college is par excellence. It is equipped with a fine library, English Language Laboratory, smart rooms, Science Laboratories, a botanical garden, Music room and a canteen. This college provides equal opportunities to girls and tries to bring out the talents which they have, both in academics and cocurricular activities. This college has a full fledged wing of NCC as well as NSS, thereby boosting the morale and confidence of students in themselves. All these pursuits imbibe self confidence in students and lead to their holistic growth. Thus, equipped with academic excellence and social skills , we prepare our students for future. Armed with the training recieved from GCW UDHAMPUR, I'm sure the path is paved for a healthy society and a healthy nation. We wish the students of our college success and hope they will win laurels for all of us.
